

**EXTERIOR COATINGS – Ceramic polymers to permanently protect exterior surfaces from scratches, swirls, chemical etching, oxidation, UV damage, tree sap, bird droppings, bug splatter, etc. Coated surfaces shed water and dirt, stay shiny and are easier to clean.**

Each vehicle is unique – time required depends on size and condition. Extra charges may apply for vehicles in “less than average condition” per technician. **PRICES START AT:**

 Manufacturer’s Minimum Pricing – No discounts	COUPE SEDAN CABRIOLETS	WAGON Small SUV/ TRUCK	Mid-size SUV/ TRUCK	MINI-VAN Large SUV/ TRUCK
