

COATINGS

EXTERIOR COATINGS

Ceramic polymers to permanently protect exterior surfaces from scratches, swirls, chemical etching, oxidation, UV damage, tree sap, bird droppings, bug splatter, etc. Coated surfaces shed water and dirt, stay shiny and are easier to clean.

Each vehicle is unique – time required depends on size and condition. Extra charges may apply for vehicles in “less than average condition” per technician. **PRICES START AT:**

	TIER 1 VEHICLE	TIER 2 VEHICLE	TIER 3 VEHICLE	TIER 4 VEHICLE***
Opti-Coat Pro3, 4 coats ; lifetime** or 7yr warranty 1-step polish included	\$3,525	\$3,625	\$3,725	\$3,825
